

Memorandum

Date: March 4, 1998

To: CALFED Agencies

From: Lester A. Snow
Executive Director

Subject: CALFED Agencies Watershed Management Meeting

We are holding a meeting to receive direction regarding the CALFED Watershed Management Strategy (attached). The CALFED Watershed Management Strategy was developed to coordinate widely separated, locally implemented watershed management efforts related to the CALFED objectives and goals. It is our intent to refine the strategy through a comprehensive program involving interagency cooperation between CALFED agencies, local governments, watershed councils, stakeholders, and local communities.

CALFED Watershed Management Program Meeting
Resources Building
1416 9th Street, Room 210
Sacramento, California
10:00 - 12:00
March 10, 1998

The purpose of this meeting is to:

1. Discuss the CALFED watershed implementation approach
2. Discuss local stakeholder involvement and the formation of a technical Interagency Advisory Watershed Team to implement components of the Watershed management strategy
3. Receive recommendations for membership and governing structure of the Interagency Advisory Watershed Team.
